**LEGION SELECTS SECRETARIES IN SEVERAL STATES**  
Temporary Officials Are Named to Carry on Organization of War Veterans

By The Associated Press.  
NEW YORK, April 29.—The American Legion, the proposed veterans' association for men of the army and navy, announced today that temporary state secretaries of that organization had been appointed in most of the states throughout the country. The secretaries have been designated to represent the state chapters to be held for the election of delegates to the national convention which is to be held in St. Louis May 3 and 4. The number from each state is to be twice its congressional representation with a similar number of alternates.

The secretaries were instructed also to see that 50 per cent of the delegates to the St. Louis caucus of the state committee should be enlisted men.

The temporary executive committee of the legion has issued a statement saying that all communications in regard to the legion hereafter will be attended to by these state secretaries instead of by Lieutenant Colonel Theodore Roosevelt, the temporary chairman, or by Bennett Clark, vice-chairman.
